

We are here to support our landlords with the ever-changing rules and regulations around letting your property. Our vast experience in property management means we can ensure the completion of all required legal documentation successfully. We also take our own responsibilities as a lettings agent very seriously and are proud members of the following schemes.

Client Money Protection (CMP)

The Client Money Protection Scheme is a compensation system run the by the National Federation of Property Professionals (NFOPP) which provides reimbursement to landlords, tenants and other clients should an agent misappropriate their rent, deposit or other client funds. The view our client money protection certificate **please click here**

Mydeposits

My deposits is a government authorised tenancy deposit protection scheme. A landlord must legally put a tenants deposit into an approved government scheme and we have chosen to be members of mydeposits. Further information is available at mydeposits.co.uk

The Property Ombudsman (TPO)

The Property Ombudsman is a government approved scheme to provide independent redress in relations to disputes between consumers and property agents. We are proud members of this scheme and follow the codes of practice for members (see here). We also have our own in-house complaints procedure ([link here](#))
